ABOUT HANDS FOR HUNGER

Hands For Hunger is a nonprofit humanitarian organization focused on eliminating unnecessary hunger and significantly reducing food waste through the creation of meaningful and engaging partnerships formed amongst all sectors of the Bahamian community. Since 2008, we have been able to provide over 400,000 meals to Bahamians in need through our food rescue program that currently assists 18 Recipient Agencies throughout New Providence, while preventing approximately 400+ tons of CO2 emissions from entering our atmosphere.

OUR VISION

Our vision is a transformed Bahamas where everyone has access to three nutritious and fortifying meals each day. No one goes hungry. The quality of our environment is enhanced.
