

FOOD STAMP DRIVE FOR HURRICANE JOAQUIN RELIEF

Dear Families,

The children of the Coldwell Banker Lightbourn Realty Family are working together to collect Super Value Food Stamps in aid of Hurricane Joaquin relief for our southern Bahamian islands.

Stamps can be delivered to one of the following children via the school offices or classrooms, **OR** for non-school donations, please deliver to **Coldwell Banker Lightbourn Realty, #19 Shirley St.**

The stamps can either be loose or on sheets. Once we have collected enough, the children will assess the various needs and will be purchasing items including groceries, bedding, toiletries, water, baby items and more from Super Value and Bed, Bath & Home. The kids will then box the items to ship to the areas most in need.
