

St Andrew's International School brand upgrade

As we approach our 70th year, we reflect on our accomplishments and our mission going forward. We have upgraded our Brand to reflect who we truly are, what we represent and aspire for the future. We discovered that we value our diversity above all else. With over 36 nationalities inhabiting our classrooms, we realised that our students, faculty and parents are our best asset, and that working together we learn from each other. Every day, through our world renowned IB programmes, we foster a lifetime love of learning, and develop internationally minded individuals with proud Bahamian roots.

Take the whole Journey with us!

Our new brand symbols

Our flag border

symbolises our unique diversity of nationalities, cultures and learning styles.

Our tagline

“Together we learn” embodies the IB principle of inspiring lifelong learners including teachers and parents. It speaks to the unity in our “Whole School” approach.

Our origami Bahamian Parrot

represents our Bahamian roots and culture.

Our overall philosophy is a celebration of cultures, lifelong learning and embracing them together.

together
we learn
