FROM THE PRINCIPAL

Dear Students, Parents and Guardians,

Welcome back to another exciting school year at St Andrew's! I hope that everyone has managed to have some time for family fun since classes ended in June. I look forward to hearing from students this week about their travels and successes. I have also shared this newsletter with our alumni family: I hope you all enjoy this flavour of current life at your school.

This isn't just any year for us: this year we celebrate our 75th anniversary together! An incredible achievement for any organization, we will use this year to both reflect on St Andrew's long and successful history, and to look forward to developments that the coming years will bring. We have several community events planned around St Andrew's week in November: some details feature in this newsletter and I hope you will all come out to join us as we celebrate our 75th birthday.

Just as we welcome more than 50 new students and their families to our community this week, we also greet several new members of our faculty. This group of experienced professionals reflects our St Andrew's identity of being 'International and Proudly Bahamian' and you can meet them all in this newsletter. Each has been selected as teachers who not only fit their new role, but as individuals who share our community values. I'm particularly excited about our new PE team and what they have in store for our Hurricanes!

Our Summer School programme was a huge success once again, as was the "Hack IT" technology camp. You can see images from both of these on our Facebook page. One highlight was having lead launch engineers from Space X here on campus working with students (especially since the team they chose as winners included St Andrew's own Eugene Oldfield!). Our vibrant 'Extra Curricular Clubs' brochure, which details everything that will be on offer to students in semester 1, will be with you this week.

Developments to our beautiful campus are continuing. We've made improvements to the wash facilities in the early Learning Centre, relocated several teaching spaces for more efficient student access, and have begun repairing and installing new sections of our boundary fencing. The new 'Bahamas Short Game' golf facility just inside the back gate has matured beautifully, ready for use. This new resource was funded entirely by our partner and will be an asset both students and the local community can benefit from. You can see what is on offer there at the end of this newsletter.

Materials have been ordered as we anticipate breaking ground on the first phase of our solar power project. This ground-based array is expected to provide around half of our daily power needs and fits squarely with our 'Green Flag School' status. I'm sure that students and parents will be happy to learn that we have also begun architectural work as we begin to renovate bathrooms across the campus in the coming years. Once started, this project will cause a little disruption to student movement on campus, but we are more than used to dealing effectively with change!

As many of you will know, over the last year we concluded several processes which resulted in our continuing accreditation with The Council of International Schools, The New England Association of Schools and Colleges and The International Baccalaureate Organisation. We also had our Eco Schools Green Flag awarded again and have been successfully re-registered with the National Accreditation and Equivalency Council of The Bahamas (NAECOB) for this new year. I will share some of the highlights of the highly positive feedback we received for these processes in a later communication.

Please read and enjoy the information in this newsletter and remember that our parent portals are always a great source of information. I have planned a 'Principal's coffee morning' for Thursday September 14th and I look forward to chatting with new and continuing St Andrew's parents then. In the meantime, our Parent Teacher Association is a great way to get involved in the life of the school. Please email Mrs Ingrid Stewart at ingridstewart@mac.com if you think you can help.

I'm sure that, once again, this will be the best year (so far) at St Andrew's!

Gordon McKenzie
Principal

UNIFORMS & SCHOOL SHOP

Correct student uniform indicates not only pride in our school, but also a student's readiness for learning. We appreciate the support of all parents in ensuring students dress according to our policies.

School Shop Hours

The school shop will be open from 8am - 9am and 2pm -3.30pm each day.

Swimming

You'll be happy to know that swimming will begin immediately as we return. A plain navy blue swimsuit is preferred. Full details in each school's uniform guidelines.

Primary Uniform Reminders

In the Primary School students will wear House shirts with their PE shorts every Friday. Students will need:

Kindergarten	1 Days PE Uniform, 3 Days Regular Uniform, Friday House Shirt
Grade 1	1 Days PE Uniform, 3 Days Regular Uniform, Friday House Shirt
Grade 2	1 Days PE Uniform, 3 Days Regular Uniform, Friday House Shirt
Grade 3	2 Day PE Uniform, 2 Days Regular Uniform, Friday House Shirt
Grade 4	2 Day PE Uniform, 2 Days Regular Uniform, Friday House Shirt
Grade 5	2 Days PE Uniform, 2 Days Regular Uniform, Friday House Shirt

Please note that Kindergarten and Grades 1 and 2 will have two PE lessons but their second lesson will be on Friday which is House Shirt Day

[Here](#) are the primary uniform guidelines for your reference.

[Here](#) is the primary supply list.

Secondary Uniform Reminders

Students are expected to wear full school uniform everyday (House uniform on Fridays). Guidelines are below.

On PE days, all students must come dressed in regular uniform and bring their PE kits to change into at the beginning of the lesson. This is a change to the previous arrangement.

[Here](#) are the secondary uniform guidelines.

[Here](#) is the secondary supply list.

BACK TO SCHOOL REMINDERS

Full details on procedures for each school are shared with parents. Here are a few of the key points:

Primary Reminders:

Click for [Back to School Infant School Information](#).

Click for [Back to School Junior School Information](#).

On Monday, August 21 we will host our Back to School Meet the Teacher Afternoon.

Families are invited to drop by school anytime between 1:00 pm and 3:00 pm to view classrooms, meet teachers, receive information brochures, and ask questions. We also encourage you to drop off your school supplies while visiting your classroom. Our school shop will also be open for uniform purchases.

School will officially start for students on Tuesday, August 22nd. The school day for Infant students will now start at 8:30 am and end at 3:00 pm. The school day for Junior Students will remain the same between 8:20 am and 3:00 pm.

There will be a split entry start for students in Preschool, PK1 and PK2. All students in Preschool, PreKindergarten 1 and PreKindergarten 2 with last names starting with:

- A to L will report to school on Tuesday, August 22. (These students will stay at home on Wednesday, August 23)
- M to Z will report to school on Wednesday, August 23. (These students will stay at home on Tuesday, August 22).

All Early Learning Center students will then return to school together on a normal schedule on Thursday, August 24.

Secondary Reminders:

On Monday 21st September, all new Secondary students and parents should attend orientation (students in full uniform) from 9:00am to 12:00pm. Here is the [schedule](#) for your reference.

All students returning for the new academic year will begin school on Tuesday 22nd September. School begins at 8:15am and ends at 3:10pm. All students should be in proper, full uniform.

On Tuesday 22nd August, students should assemble in the cafeteria area at the beginning of day to enter the hall for assembly. Class lists will be posted on the glass doors at front of the hall. Faculty members will be there to help students locate their advisory groups.

Students must continue to use the one way system as they move around campus. There will now be three sets of down stairs students must use to get to classes on campus. The first one is the stairs adjacent to the library, the second and third ones are at the back of the school, as you exit the Science and Modern Languages blocks.

Cell phones, smartwatches and hand-held electronic devices other than laptops (such as portable game systems, e-readers etc.) must not be used or in sight between 8.15am and 3:10 pm unless permission is granted by a teacher. If any of these items are seen during the school day it will be confiscated and a parent will have to collect it from the office. Such devices will not be available for collection until the following day. Additionally, students may not wear earphones or earpods/airpods between 8.15am and 3.10pm except with the permission of a teacher.

CALLING ALL ST ANDREW'S ALUMNI...

SAVE THE DATE
LET'S CELEBRATE
75 YEARS TOGETHER

NOVEMBER 24-26, 2023
HOMECOMING WEEKEND

- NOVEMBER 24 - COCKTAIL RECEPTION
- NOVEMBER 25 - ALUMNI REUNION AT ST ANDREW'S
- NOVEMBER 25 - ALUMNI HOUSE COLOURS PARTY AT JOHN WATLING'S
- NOVEMBER 26 - CHURCH SERVICE AT THE KIRK

Please stay tuned for updates regarding this event

Represent your house at the House Colours party on Saturday November 25th! Wear a house shirt (available from the school shop) or just dress in your house colour.

Which house will shine the brightest..?

GO HURRICANES!

OUR NEW PHYSICAL EDUCATION TEAM

Welcome back to St Andrews for the 2023/24 season from Mr Lowe and team!

On behalf of an all-new PE department, I want to welcome back all of our returning and new students, parents and the wider community. We have an exciting year ahead of us, in both curricular and extra sports. In addition to trying to build on last years' successes in BAISS and national competitions in swimming, softball, volleyball, soccer, athletics and basketball, there are new clubs proposed in netball, martial arts, gymnastics and ultimate frisbee!

Our school House competitions will get everyone involved and are set to be more competitive than ever. Over this school year the hope is to provide new opportunities for students in the Primary school with some inter-school fixtures, and I would like to facilitate a ski trip for those in the Secondary school. Every student across the school will find things to enjoy in this year's PE and Sports programme at St Andrews and I look forward to getting to know all of our students.

Ms Hamilton

ST ANDREW'S GUIDING STATEMENTS

Our Vision

Building a diverse community of lifelong learners to be a force for positive change through ethics and excellence.

Our Mission

As the pioneering International Baccalaureate school in The Bahamas dedicated to achieving excellence in education, and in partnership with our families, our mission is to:

- Challenge our students to develop a lifelong love of learning that extends beyond the classroom
- Inspire curiosity, open-mindedness and a commitment to personal excellence
- Foster a community of confident, creative and critical learners in an inclusive, respectful and safe environment
- Nurture in our students a sound ethical foundation that will inspire positive action, service and leadership
- Develop culturally confident global citizens who are able to succeed in any context
- Build a student-centred and family-oriented community

Our Motto

"Ethics and Excellence"

Our Unique Identity

International and Proudly Bahamian

Eco Mission Statement

Our mission is to inspire everyone in the St Andrew's community to make our school environmentally friendly, to working together as a team to act and promote being clean, green and pristine in The Bahamas

St Andrew's School Expectations

Honesty in all Interactions Respect for Others Responsibility for our Actions

Definition of High-Quality Learning:

St Andrew's International School is dedicated to achieving excellence in education. Teachers set the highest expectations in order to encourage a lifelong love of learning which will equip our students to succeed in any context. We define high-quality learning as that which:

- Enables students to inquire, question and think critically as they learn
- Is student-centred, planned and differentiated to provide necessary support and challenge
- Gives all students the opportunity to reflect on their individual progress, success and next steps

SAIS definition of Internationalism/ Interculturalism:

We define our international/ intercultural approach as one which:

- Is inclusive in order to promote the value of diversity
- Is service-minded in order to develop sensitivity to inequality and the desire to be a force for positive change
- Champions and explores ethics and excellence in all that we do
- Encourages interdependence in order to inspire culturally confident global citizens
- Embeds the IB Learner Profile in planning, lessons and procedures
- Challenges stereotypes and assumptions

MEET ALL OF OUR NEW TEACHERS!

We have twelve new members of the faculty this year. I know that you'll give them all a warm Bahamian and St Andrew's welcome!

Say hello to the newest members of our team...

Carib House

Name	Ms Mustard
Role	PE Teacher and Head of Carib House
About me	I am from Scotland where I have been teaching for the past 7 years. I enjoy playing Netball, I am a 3rd Dan black belt in Taekwondo, and I love to bake. My favourite thing about the Bahamas so far is the weather.

Arawak House

Name	Mr Sears
Role	Art Teacher
About me	I have numerous years of teaching experience on islands ranging from Inagua in the south to Freeport in the north. I love outdoor exploration, arts, film, animation, martial arts and meeting new people. I have lived in Nassau for most of my life with a short time living in Miami Florida.

Lucayan House

Name	Mrs Lowe
Role	Grade 4 Teacher
About me	I was born, raised and educated in Wales. As a lifelong learner, I am currently completing my Master's in Psychology. I have been teaching since 2010 and have taught from Pre-K to Grade 8 with specialisms including English and PE. I love netball, racket sports, cats and music. This is not my first international school, having taught in Spain, Switzerland and Egypt as well as the UK. However after the warm welcome received here at SAIS, this is already my favourite international experience!

Arawak House

Name	Dr Atkinson
Role	Geography Teacher & Head of I&S
About me	I am from Cumbria in the UK and have been teaching since the year 2000. I have worked in a range of schools in the UK and around the world; my specialism is Geography, but I also have experience of teaching Economics, Environmental Science and TOK. My proudest moment to date was when I graduated this year with a Doctorate in Education from the University of Bath. I already love a great many things about The Bahamas, but my favourite so far has to be the warm and welcoming nature of the Bahamian people.

Lucayan House

Name	Mrs Rodrigues
Role	Teacher of Computing and Business Studies
About me	A native of Nassau, Bahamas, I love to read, travel, paint, write short stories and research random facts on the internet. I have a strong background in Business and Computer Science having worked at companies such as Citibank/Cititrust and Deloitte prior to becoming a teacher. I have over 12 years experience in teaching Computer Science and love making learning fun and interactive for students. A self-proclaimed "busy-bee", I also love to assist in various extracurricular activities.

Arawak House

Name	Ms Natschowny
Role	Teacher of History
About me	I am from Lincolnshire in England. I studied History at the University of Aberdeen and got my PGCE in History and Citizenship at the University of Hull. I have always loved to travel and visit historic sites and it was this that first sparked my interest in working abroad. I've taught all over the world including Malaysia and El Salvador, but by far the warmest welcome so far has been here in Nassau. I can't wait to meet all the amazing students and parents in St Andrew's and explore this beautiful country.

Carib House

Name	Mr Robinson
Role	Teacher of Mathematics
About me	I grew up on a farm in Northern Ireland before moving to England to study at the University of Sheffield. I have been teaching Mathematics in Sheffield for the past 7 years. I enjoy doing anything outdoors, playing guitar and I like to cook. My favourite things about the Bahamas so far have been trying the local food and meeting people. I have found the people here to be wonderfully friendly, kind and engaging. If my first two weeks here are an indication for what it will be like to live here, I know I'm going to love it.

Lucayan House

Name	Mr Lowe
Role	Head of PE, Health and Sport
About me	I am from the UK, most recently from the wonderful mountains of Wales. I have been teaching for over 20 years, the majority of which has been in international schools, in The Netherlands, Germany, Switzerland and Egypt. My interests incorporate a wide range of sports including rugby, football, basketball, athletics, triathlon, ultimate and kayaking. When not active I love to draw and paint, read and watch movies. I am loving how welcoming and friendly the Bahamian people have been since I arrived in the country and of course the wonderful sunshine.

Carib House

Name	Ms Foulkes
Role	Grade 4 Teacher
About me	I am a proud Bahamian returning home after spending ten years in New York. I've worked at multiple charter schools in Brooklyn as a teacher, Dean of School Culture and Assistant Principal. I'm most passionate about literacy and I'm excited to enjoy some of my favourite things like Junkanoo, boating, guava duff and coconut tart!

Carib House

Name	Ms Snowden
Role	Teacher of Biology
About me	Originally from England, I have taught in schools in the UK, UAE and Sweden. In 2012, I graduated from the University of Liverpool with a degree in Marine Biology, which fuels my main interest in all things ocean! My other interests are scuba diving, travelling and anything that keeps me active. My favourite thing about The Bahamas so far is being so close to the beautiful beaches.

Arawak House

Name	Ms Hamilton
Role	Primary PE Teacher
About me	I'm from Scotland, and have been teaching for 28 years. Mostly PE, but also Guidance and Learning Support. I taught in the UAE for 3 years, and I'm excited about teaching here in the Bahamas! I've so far loved the beaches and the wildlife . I love animals, especially dogs and have been helping at the Bahamas Humane Society.

Taino House

Name	Ms Palmer
Role	Social Studies Teacher
About me	I am an experienced educator from London, with 12 years experience in both teaching and pastoral leadership. Beyond my academic pursuits, I have had the privilege of travelling to over 25 countries, with a new particular fondness for the beaches and warm weather of the Bahamas. I'm also passionate about nurturing potential and socialising.

FAMILIAR STAFF WITH NEW ROLES FOR 2023/24

Congratulations!

Head of Creative Arts: Mr Carey

Having worked in the Arts department for many years, SAIS alum Mr Carey will now lead the team. He will continue to be Head of Arawak House.

Congratulations!

Head of Lucayan House: Ms Ferguson

Mrs Ferguson now takes on leadership of our RED HOT house in addition to her Learning Support and Biology teaching roles.

ST ANDREW'S
INTERNATIONAL SCHOOL

Coffee with The Principal
Thursday 14th September
8:30am

An informal opportunity for parents to hear updates from Mr McKenzie on school developments.

This is a great time to ask any questions following the first few weeks of school.

HOW WE SHARE INFORMATION WITH PARENTS

Of course we're only ever a phone call or email away, but we prefer to see you and chat in person. Please make an appointment if you'd like to talk to a member of staff: all contact details are on our website. As a proud Green Flag school, we try to avoid using paper to communicate where possible and instead make use of the following:

Website

Our website is mostly for visitors, but you will find useful info there such as staff pictures and contact details, as well as access to our Parent Information Portals:

Parent Portals

The portals for both Primary and Secondary can be accessed via the 'Our Community' tab on our website, but I've added a link via each picture below. The portals are packed full of essential information on our procedures, curriculums and policies. If there's something you'd like us to add, let us know. These will be constantly updated with new information.

Primary Portal:

Secondary Portal:

Managebac

As a St Andrew's parent you really must ensure you're signed up to Managebac. Our online learning management system is used more widely the older a student grows. In Primary grades, teachers share curriculum information, helpful learning or inquiry links, the PYP Focus newsletter, class updates, schedule changes, homework, specialist information, and photographs. In the Secondary school each Advisory Group has its own page and subject pages feature course information and gradebooks with real-time reporting for students and parents. Managebac will also host our full suite of policy documents. Contact Mr Strachan if you're having trouble signing up.

Hurricane Forecast

Our weekly update bulletin for parents is uploaded to Schoology every Monday

Phone calls

If we call, we're hoping for a conversation, but we understand you may be working or busy when the phone rings. If it's not a convenient time, please let us know and we'll arrange another time to talk.

Email

We will use email to communicate on individual issues, confirm the details or follow-up to a discussion or perhaps to let a whole grade level or indeed all parents know about something important. Please ensure the email contact details we have for you are up to date so that you don't miss anything. We aim to respond to all emails within 48 hours and usually do so sooner.

Facebook

We realise not everyone uses Facebook, so we avoid using this medium for sharing key information. We mostly use this medium to celebrate student and staff successes, share images and stories of school life and perhaps reinforce messages that have been emailed to all parents.

Instagram

Our school Instagram account is there to give a visual representation of life at St Andrew's. Follow us at @standrews_school

Newsletters

Newsletters and letters feature news from key areas of the school. A chance to hear from various school leaders and read about in-school developments.

Face to Face Events

We prefer the chance to discuss school issues and individual student progress rather than simply broadcast information to you.

OUR SCHOOL COUNSELOR

Meet The Counselor

Hi there! I'm
Pippa Sands.

Whole School
Counselor

Dear Parents,

Welcome back to another year as we celebrate our journey to 75 years as a mighty school community. As your dedicated school counselor, I look forward to supporting K-12 students on their academic, social, and emotional evolution. I am honored to continue supporting our students and working collaboratively with you to ensure their success.

My focus this year remains on building trust with my students, establishing new relationships with parents and guardians, and fostering a safe and non-judgmental environment where students can thrive.

Through Social Emotional Learning (SEL) classes, students will gain necessary life skills and work on 5 core competencies: self-awareness, self-management, decision-making, social awareness, and relationship skills.

Equipping our students with SEL skills such as perspective-taking, managing emotions, problem solving, and communicating effectively will serve them way beyond their school careers.

As always, your partnership is invaluable and I welcome open communication to address any questions or concerns you may have. Please do not hesitate to reach out to me. Let's work together to promote and prioritize students' well-being.

Here's to another enriching SAIS school year!

Warm Regards.

GOLF AT ST ANDREW'S

The on-campus 'Bahamas Short Game' facility is ready to use by both students and parents!

Come and check out the new golf facility just inside the Nassau East entrance!

After School Program

Register for the after school program! Current players will complete a skills assessment to determine which level they are at in terms of being able to shoot scores similar to a professional golfer. They will be placed in groups based on their skill level. Lesson options are Tuesday/Thursday or Wednesday/ Friday or from 3:30pm - 5:30pm. Full details in the school extracurricular club brochure.

Practice Your Putting, Pitching, & Chipping

Two of the practice greens will be open for practice! If you are a golfer, you can practice on your own. If you are not a golfer, schedule a session with one of our instructors to help you learn the game, and be comfortable to practice and improve your game!

Golf Simulator

Pick your foursome and come and play the best courses around the world! Are you practicing for a tournament here on the island? Come and practice before your round or ask one of our instructors to help you map your round! Take a lesson to understand the other side of the game. Pros understand the numbers, so should you!

Competitions beginning in October!

Putting competitions on Saturdays at 9am.

Short game competitions on Saturdays at 11am.

Weekly simulator tournaments for a different course each week! Players can register for the tournament and play the course during the time frame allowed (Saturday & Sunday). Players with the lowest scores will win a prize!
